The people that make it happen

Our team consists of a vast network of private investigators, attorneys, process servers, and collection professionals across the United States, providing crucial support and expertise in our business. This team is always available to provide detailed insight into debtors and their assets, assist with obtaining court documents, and stay up-to-date on new changes in the law. Behind the scenes at First Verdict Solutions however, is a one-person operation led by Mr. Jamie Shelton.

Jamie Shelton

A resident and native of Pennsylvania, Jamie Shelton is the Director of **Final Verdict Solutions**. Over the years, he has collected hundreds of unpaid judgments, utilizing all legal methods at his disposal. Jamie likes to collect as much money as possible from his debtors, and he knows how to do it.

A graduate of **Case Western Reserve University**, Jamie gained substantial business acumen in college. Upon graduation, he completed an apprenticeship with **Evanns Collection Law**, a premier collection law firm in Los Angeles, California. In this time, he

acquired extensive experience collecting judgments in all 50 states, particularly Pennsylvania, California, New Jersey, Florida, Ohio, Missouri, and Texas.
